HAITI FEEDING PROGRAM

**This month Encompass Supporters were able to feed 90 families in Haiti!!!**

WE LEAVE NOV 28TH FOR:

## Thailand

### Faith Village

#### Faith Village

is located just south of the Burma border. This orphanage started with boys rescued from the Burmese warlord. They were little boy soldiers and they lived a life we can only imagine in our worst nightmares. They were rescued by David & Paula Mahawon, missionaries to Thailand. We have worked with them for 11 years.

We will be helping them out during a time of growth and need by spending six months of the year there. We will base from there to also continue other works as necessary.

Thank you to all our supporters for your help in continuing to provide food for families in this

area.

I don't want you to forget what you are really doing, which is keeping men, women, and children alive.

I know that you are doing this out of the love of your heart, without any thoughts of any thank you or reward, but I want to remind you that our Lord says, 'whatever you do in secret, our Father will reward you openly.' Also, 'store up for yourselves treasure in Heaven.' And, 'whatever you do unto the least of these, you do unto me.'

We appreciate you and couldn't do this without you!

**JB** Our Haiti director has been very busy setting up for an evangelist from the states to do a huge outreach in Haiti. Please remember JB in your prayers and send him him an encouraging email if God lays it on your heart.

Larry leaves at the end of August for Haiti to teach and do our due diligence on the feeding program. We have wonderful people overseeing the program.

Blessings everyone!!
